recall

⊖ [Learn more about this recall](#)

Description: American Honda Motor Co., Inc. (Honda) is recalling certain 2018-2020 model year Accord Sedan, 2018-2020 model year Accord Hybrid, and 2019-2020 model year Insight vehicles. A software error may cause intermittent or continuous disruptions in communication between the Body Control Module (BCM) and other components, resulting in illumination of several warning indicators and malfunction of one or more electronic components. As such, these vehicles fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 103, "Windshield Defrosting and Defogging Systems," No. 104, "Windshield Wiping and Washing Systems," No. 108, "Lamps, Reflective Devices and Associated Equipment," No. 111, "Rear Visibility," No. 114, "Theft Protection," No. 118, "Power-operated Window, Partition and Roof Panel Systems," and No. 305, "Electric-powered Vehicles: Electrolyte Spillage and Electrical Shock Protection."

Various system malfunctions such as inoperative windshield wipers, defroster, rearview camera, or exterior lighting can increase the risk of a crash.

Remedy: Please call any authorized Honda dealer and make an appointment to have your vehicle repaired. The dealer will update the BCM software program for free. For additional questions or to get help locating a dealer, owners may contact American Honda Customer Support and Campaign Center at 1-888-234-2138.

- Status: Remedy Available

[Locate an authorized Honda dealer to obtain more information about this](#)

recall

⊖ [Learn more about this recall](#)

Description: American Honda Motor Co., Inc. (Honda) is recalling certain 2018-2022 model year Accord 1.5L vehicles. The fuel pump impeller was improperly moulded, resulting in low density impellers. Over time, the low-density impeller can deform and interfere with the fuel pump body, rendering the fuel pump inoperative.

If the fuel pump module is inoperative, the engine may not start or can stall while driving, increasing the risk of a crash or injury.

Remedy: Registered owners of all affected vehicles will be contacted by mail and asked to take their vehicle to an authorized Honda dealer. The dealer will replace the fuel pump module with an improved part. Owners who have paid to have these repairs completed at their own expense may be eligible for reimbursement, in accord with the recall reimbursement plan on file with NHTSA. For additional questions, owners may contact American Honda's Customer Support & Campaign Center at 1-888-234-2138.

Glossary

Accident Indicator

CARFAX receives information about accidents in all 50 states, the District of Columbia and Canada.

Not every accident is reported to CARFAX. As details about the accident become available, those additional details are added to the CARFAX Vehicle History Report. CARFAX recommends that you have this vehicle inspected by a qualified mechanic.

- According to the National Safety Council, Injury Facts, 2021 edition, 5% of the 276 million registered vehicles in the U.S. were involved in an accident in 2019. Over 77% of these were considered minor or moderate.
- This CARFAX Vehicle History Report is based only on information supplied to CARFAX and available as of 7/6/25 at 10:52:24 AM (CDT). Other information about this vehicle, including problems, may not have been reported to CARFAX. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
